LANGUAGES

English (fluent), Korean (fluent), French (beginner), Spanish (beginner)

SCHOOL PROJECTS

Apples + Dreams (Photographer) November 2021

Created still life photos of paper cut-out fairies with Kodak Tri-X 35mm films.
Developed these 35mm films with Ilford developing chemicals.
Showcased these works at the CCNY 2022 Annual Student Photography Exhibition.

PERSONAL PROJECTS

The Tragic End of Rodney & Madlyn U. (Writer & Director) May 2022

Created a short film based on Edgar Allen Poe's short story *The Fall of the House of Usher*.
Directed voice actors to record their characters' inner thoughts through Discord voice chat.
Visualized the short film's oppressive greyscale atmosphere with Kentmere 400 films.
Created the animation of acrylic paintings on brown papers.

29 janvier 2022 (Photographer) January 2022

Photographed the Lower East Side of the New York City under the snow storm.
Developed the two-stops-pushed Ilford Delta 100 films with Ilford developing chemicals.

The Dualistic Ages of a Person (in Still Life Photos) (Photographer) August 2021

Photographed the still-life made up of cupcakes, white rose, cups, and a picture frame.

Black Fox (Animator, Writer, & Director) October 2020

Created the cut-out animated short film with Blender.
